End of public discussion

2018/038. APOLOGIES / DECLARATIONS OF INTEREST / GR District Cllr Tony Alford ANT OF DISPENSATIONS – Apologies were received and accepted from PCSO Alex Bishop, Cllr Angela Bullock and County Cllr Rebecca Knox,

2018/039. REPORTS FROM DISTRICT COUNCILLORS, COUNTY COUNCILLORS AND LOCAL POLICE OFFICER:

County Councillor sent the following report: "I am aware of the need for the safe routes to school meeting and what has helped are parents requesting an assessment. I know the meeting is being organised but with the added measures, and might I suggest an email to Mike Potter in Road safety would be extremely helpful. The SID: this has temporarily in my view been removed from the area, I'm going to get it back but it has been programmed for use in other places and I need to get it programmed back to here. Road issues: it is hoped that the issue with the A3066 in Beaminster will be resolved very shortly, but due to this some planned highway tasks have been delayed such as those in Beaminster along Hogshill Street. If there other works which might have affects on the A3066 then please bear with any changes that might be required. The Shadow Dorset Council is sending out newsletters to parish councils and I hope you are receiving these. The plans are coming together but there is a conversation I would like to build on following the meeting I held for all local parishes, and am looking for a date in October for this. I will let you know. What I would like to emphasise is that there will be no changes or decisions made soon with regard to working with parishes. Much more needs to be considered and I would value your views. I am going to send out a questionnaire to get this started for the area. School Transport: I hope the initial problems of the first week have been overcome. 98% of young people were picked up and routes sorted. The 2% is the concern and if there are still some then please let me know."

District Councillors

District Cllr Barrowcliff reported that the local businesses in Beaminster are unhappy with the impact of the recent burglary in Beaminster. Free car parking in Yarn Barton has been agreed today by WDDC. The process of agreeing the repairs has been longer than ideally liked.

The new Shadow council is working through the various issues and a CEO appointment is being announced this week.

Cllr Barrowcliff reported that the testing of private water supplies will need to comply with new regulations, and this may lead to increased costs. Further information can be found in item 11 of the following link:
